

Defending unfair or wrongful dismissal claims

Our pricing for defending claims for unfair or wrongful dismissal is detailed below.

Our costs

Simple case: £6,000-£8,000 (excluding VAT)

Medium complexity case: £10-£15,000 (excluding VAT)

High complexity case: £15,000-£25,000 (excluding VAT)

Some of the factors that could make a case more complex:

- If it is necessary to make or defend applications to amend claims or to provide further information about an existing claim;
- Defending claims that are brought by litigants in person;
- Making or defending a costs application;
- Dealing with complex preliminary issues;
- The number of witnesses and documents;
- Allegations of discrimination which are linked to the dismissal.

There will be an additional charge for attending a Tribunal Hearing of £1,500 per day (excluding VAT). Generally, we would allow 1-2 days depending on the complexity of your case.

Disbursements

Disbursements are costs related to your matter that are payable to third parties, such as court fees. We handle the payment of the disbursements on your behalf to ensure a smoother process.

Counsel's fees estimated between £1,500 to £2,000 per day (depending on experience of the advocate) for attending a Tribunal Hearing (including preparation).

Key stages

The fees set out above cover all of the work in relation to the following key stages of a claim:

- Taking your initial instructions, reviewing the papers and advising you on merits and likely compensation (this is likely to be revisited throughout the matter and subject to change);
- Entering into pre-claim conciliation where this is mandatory to explore whether a settlement can be reached;
- Preparing response;
- Reviewing and advising on claim from other party;
- Exploring settlement and negotiating settlement throughout the process
- Considering a schedule of loss;
- Preparing for (and attending) a Preliminary Hearing;
- Exchanging documents with the other party and agreeing a bundle of documents;
- Taking witness statements, drafting statements and agreeing their content with witnesses;
- preparing bundle of documents;
- Reviewing and advising on the other party's witness statements;
- agreeing a list of issues, a chronology and/or cast list;
- Preparation and attendance at Final Hearing, including instructions to Counsel.

The stages set out above are an indication of what is likely to be involved in a typical case. If some of stages above are not required then the fee may be reduced. You may wish to handle the claim

yourself and only have our advice in relation to some of the stages. This can be tailored to your individual needs.

Timescales

The time that it takes from taking your initial instructions to the final resolution of your matter depends largely on the stage at which your case is resolved. If a settlement is reached during pre-claim conciliation, your case may take 4 - 6 weeks. If your claim proceeds to a Final Hearing, your case may take 30-52 weeks. This is just an estimate and we will of course be able to give you a more accurate timescale once we have more information and as the matter progresses.
